

A Research Companion To Principles And Standards For School Mathematics

A Research Companion To Principles

A Research Companion to Principles and Standards for School Mathematics illustrated Edition by Jeremy Kilpatrick (Author)

A Research Companion to Principles and Standards for ...

This useful companion to Principles and Standards is for anyone seeking to explore the underpinnings of that document in the scholarly literature. It synthesizes a sizeable portion of the professional literature to lend valuable insight into current thinking about school mathematics and presents a comprehensive analysis of what research should be expected to do in setting standards for school mathematics.
