Defending the Trinity. The word "Trinity" is not used in the Bible, but the concept is certainly present throughout Scripture. The doctrine of the Trinity is not illogical, but it is difficult to wrap our minds around. However, as believers in an infinite and transcendent God, this shouldn't surprise us.

### **Defending the Trinity | Evidence Unseen**

Defending the Trinity. They are distinct persons, not in the sense of humans --separate beings-- but each with his own personality, yet one being. This doctrine does not mean that there are three parts to God, there are three gods, or that there is one God, revealed in three ways (one person, three roles).

The Trinity Defended. The doctrine of the Trinity has come under increasing attack over recent years from a variety of groups. Some of these groups (such as Muslims and Jehovah's witnesses) deny that this doctrine is even found in Scripture. They are often quick to point out that the word "trinity" is to be found nowhere in the Bible.
